AHUPUA'A CONFERENCE DIAMONDHEAD FIELD DAY & EXPO

DECEMBER 12TH-15TH, 2006
SHERATON WAIKIKI

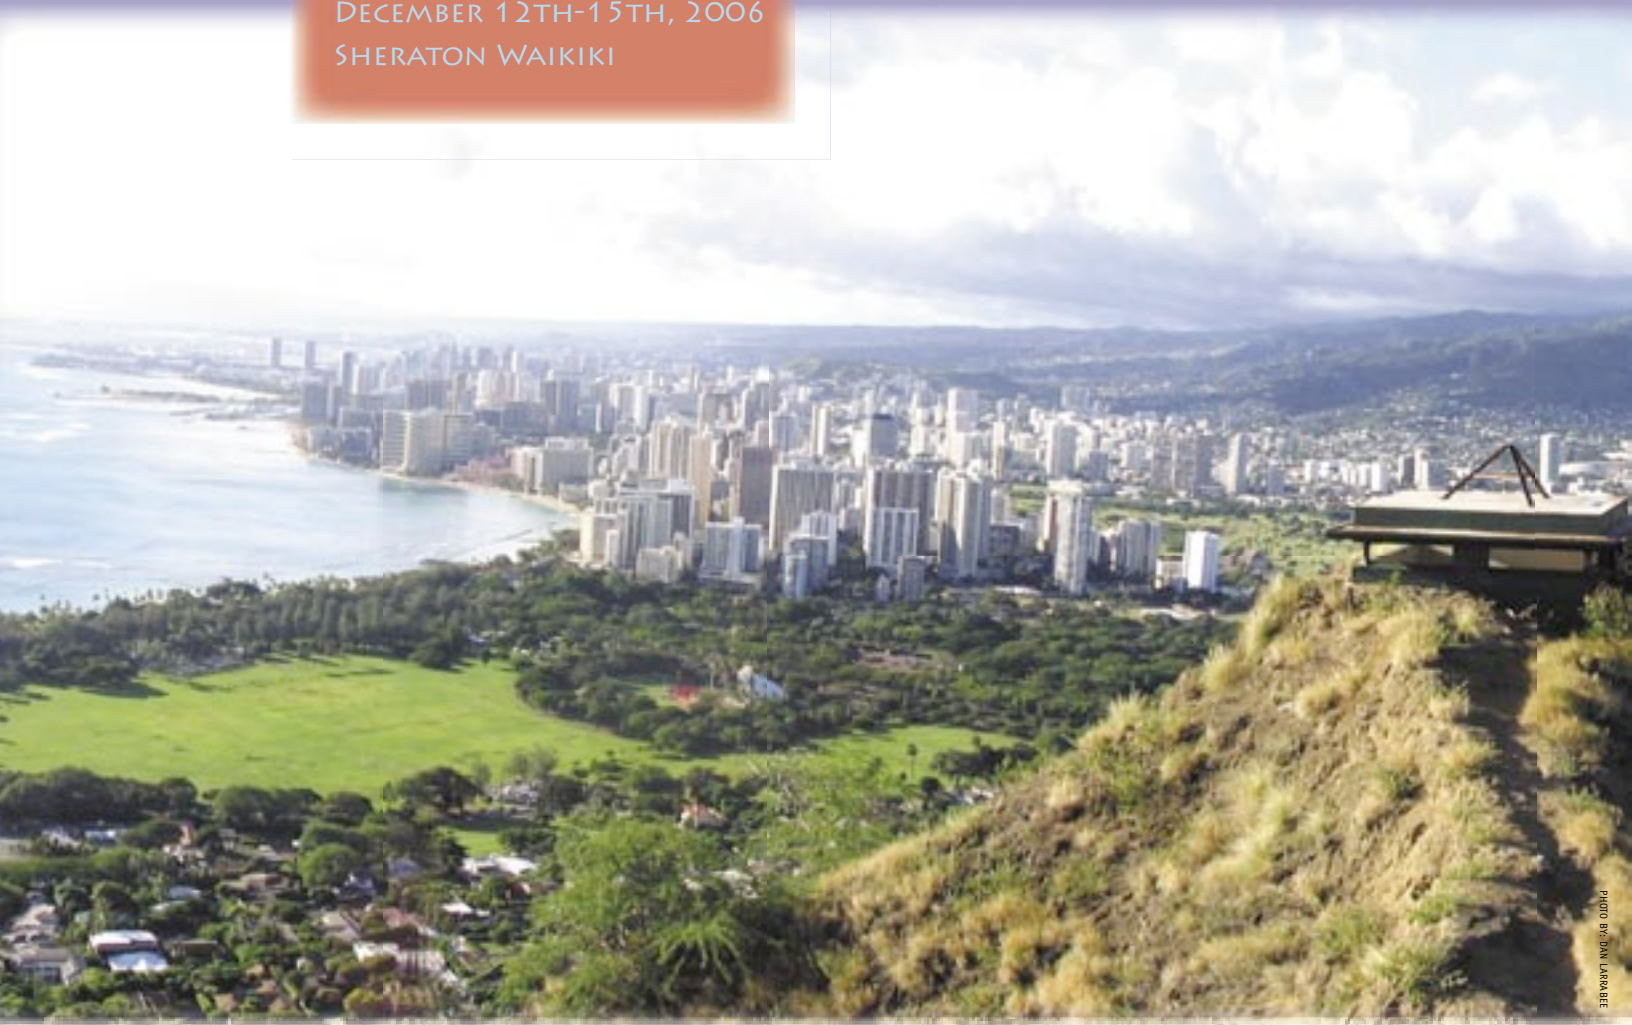

PHOTO BY JOHN LARABEE

CONFERENCE PROGRAM AGENDA

ALOHA! Enjoy our local experts and invited speakers who will explore the relationship between the land and the sea. In a series of technical papers and special sessions in four themed tracks, the conference will focus on erosion and sediment control, storm water pollution prevention and the protection of soil and water resources.
