2020 Erosion Control BMP Summit at Shasta College – Exhibitors

Don’t Miss You Chance to Share Your Products & Services at the Only BMP-Centric Training Out There! | April 8 @ 8:00 am - April 9 @ 5:00 pm
$600 – $1100 Shasta College - Redding CA

This 2-day BMP Summit will combine Classroom Training with Hands-on, in-the-field demonstration and practice. The Exhibit Hall and the Classroom will be combined in the (BARN) 4000 building. Exhibitors will have a chance to be involved in the dialog and discussions. Every break will be an opportunity to mingle and connect. Based on our previous Summits, we expect about 125 participants. The past SUMMITS have been attended by roughly 30% agency and 30% private sector SWPPP designers. This year we expect several CalTrans professionals, wildfire specifiers, and numerous Municipality representatives.

EXHIBITOR BENEFITS

Showcase Exhibitors receive dedicated time on the agenda to show your products and services to the engineers who specify their use, the contractors who buy and use your products and the regulators who monitor the sites. Both Showcase Exhibitors and Indoor Exhibitors are provided with display space in the classroom to interact with the attendees. Exhibitors will also be given a chance to introduce themselves and their products/company.

Limited to only 15 exhibitors; 7 showcase exhibitors and 8 indoor exhibitors.

Don’t miss this opportunity to connect face-to-face with your audience at the only BMP-centric training course currently out there.
